

Job Title: E-2D CWD

Status: Part Time

Location: Travel Expenses may be available for commuting to the Jacksonville, FL area

COMPANY OVERVIEW

BGI, LLC is an innovative small business that provides government and industry customers with expert-based services and products that enhance capability and profitability in programs related to aviation training. Headquartered in Dallas, BGI has a strong military heritage and brings together engineers, operational analysts and instructor-experienced aircrews from a variety of backgrounds. BGI has built a successful team by seeking out, hiring and cultivating men and women of integrity. Our team is composed of the “best of the best” aviators from across the joint services; along with people from a wide variety other endeavors. Every member of the team is an expert in his or her field, has outstanding communication and interpersonal skills, and has the ability to apply those skills effectively in service to our customers. We are seeking individuals to join our team that encompass those same unique qualities.

POSITION SUMMARY

E-2D CWD

BGI, LLC is seeking motivated individuals with recent experience as a Naval Flight Officer (NFO) in the E-2C to support courseware development. Work will include development of computer based interactive courseware designed to train personnel on aircraft systems and operation. The individual will generate lesson content and will work with instructional designers and artists to develop lesson structure, content, and appearance.

REQUIRED QUALIFICATIONS

Personnel responding should have a minimum of 500 hours as an operational E-2C NFO, recency of flight experience in the last five years and excellent speaking and writing skills. Applicants must be proficient with typical MS Office (Word, PowerPoint) applications. Must be a US citizen.

DESIRED QUALIFICATIONS

1000 hours in platform and 500 hours Instructor experience in platform. E-2C (formal school) instructor experience. Current aviation experience in the USN Reserves or recency of flight experience within the last year. Experience with Instructional Systems Design (ISD).

BGI - Equal Employment Opportunity

Equal Employment Opportunity has been, and will continue to be, a fundamental principle at BGI where employment is based upon personal capabilities and qualifications without discrimination because of race, color, religion, sex, age, national origin, disability, or any other protected characteristic as established by law.
